

INTERDISCIPLINARY CONTINUITY OF CARE

Building Seamless Referral Pathways Between GPs and Oral Surgeons

Presented by: Manuella Felix Brodfuehrer

Date/Time May 28, 2026	Location La Jolla Conference Center	CE Credit 2 Credits AGD 550
----------------------------------	---	--

Course Overview

This fast-paced interdisciplinary program helps specialists and general dentists strengthen referral relationships and improve continuity of care for surgical patients. Attendees will learn practical systems to streamline communication, standardize handoffs, and create a seamless patient experience across practices.

Educational Objectives

- Identify key referral and handoff breakdowns between GP and specialty practices.
- Apply a standardized communication framework for pre-op and post-op coordination.
- Build a continuity-of-care checklist to strengthen follow-up and referral partner communication.

Teaching Method

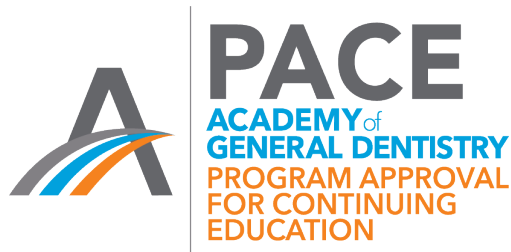

Live lecture with implementation tools, guided discussion, and real-world applications.

Target Audience

Oral surgeons, periodontists, endodontists, restorative dentists, and general dentists involved in interdisciplinary care.

Tuition

Complimentary Registration
